

For immediate release:

Tiverton Farmers Market - 4th Annual Valentine's Farmers Market

Sunday, February 11th, 10am - 2pm

We are set to host its 4th Annual Valentine's Chocolate Specialty Market on Sunday, February 11th from 10am to 2pm. This event will see vendors experimenting and integrating chocolate into their products.

In this unique chocolate-centric event, local vendors will showcase an innovative range of chocolate-inspired products that extend beyond the traditional boundaries. This creative culinary adventure presents an opportunity for chocolate lovers to see how various products can be enhanced with the beloved cocoa treat.

The Valentine's Chocolate Specialty Market encourages the community to explore and appreciate chocolate in a fresh new way while providing local businesses with a platform to showcase their creativity. Discover some unique, mouth-watering combinations in the process.

Attendance at the event is free and it is open to the public, making it a fantastic family outing option for Valentine's weekend. However, due to school regulations, only service animals are allowed inside the premises.

Indie Cycle, LLC will also be onsite to take E-waste (electronic waste) from 10am- 2pm. Follow the arrow signs to the front circle area and look for the box truck. Workers will help you unload and guide you through the process. More information about the e-waste drop off at www.indiecycle.com

Location: Tiverton Middle School Cafeteria, 10 Quintal Drive, Tiverton, RI 02878 (Door 2)
